Heaven shall burn

Voice of the voiceless

Album: Antigone

anno: 2004

See them die!

They Die!

A rain of blood should cover our world
Stench and decay should be the only thing we sense
But hidden in the dark and erased from our heads
Barbarity and slaughter are everywhere
A contemptible ethic, a relict

For the weakest of the weak
For the lowest of the low
My voice for the voiceless
My fists for the innocent

Voice of the Voiceless
Voice of the Voiceless

On the edge of a new age this is still our dogma

For the weakest of the weak
For the lowest of the low
My voice for the voiceless
My fists for the innocent

Heaven shall burn: “Voice of the voiceless”

No grave for millions - tortured creatures
But a common grave for our morals
This slaughter - an ethic I deny
